EDUCATION

07/2023 – 02/2024

ADVANCED JS INTENSIVE BOOTCAMP – AC ACADEMY (CERTIFICATE INCLUDED)

I participated in the Advanced JS Intensive Bootcamp, an in-depth program focused on mastering advanced JavaScript concepts and techniques.

10/2022 – 05/2023

C PROGRAMMING COURSE – 42 YEREVAN

I acquired proficiency in the C programming language through the rigorous curriculum at 42 Yerevan.

09/2023 – 06/2024

YEREVAN STATE UNIVERSITY (YSU) – INFORMATICS AND APPLIED MATHEMATICS

Studied Informatics and Applied Mathematics for one year, gaining analytical, programming, and problem-solving foundations, which I continue to build on through self-directed learning in Computer Science.

EXPERIENCE

07/2023 – 10/2025

EVOLUTION ARMENIA

Game Presenter (English Speaking)

I'm not a fan of the iGaming industry. However, while working in an international company, I have gained skills such as

- Working with the newest technologies and improving my public speaking skills
- Getting along with people from different countries and various background
